

Strengthen your faith as you  
share the Gospel with the  
children this summer

Designed specifically for students in high school and college

## Does this describe you?

- You have been a Christian for more than two years.
- You have a really good relationship with God but you would really like to grow to know Him even more.
- You believe God's Word and want to obey Him completely.
- You pray often and want to know what God's will is for your life.
- You want to really make a difference in this world, not just talk about it.
- You would like to share your faith with others but just don't know how or what to do.
- You wish you could be more prepared to help in your church with ministries and missions opportunities.
- You love going on youth trips during the summer but wish they had more impact in the lives of other people.
- You hear your pastor, youth pastor, or parents say you need to prepare for your future. You believe that is true but wish you had more direction.

 **may be God's answer to prayer.**

## Who will I expect to serve with?

Each person who serves has a place to be an encouragement to other students while preparing for the mission to reach children with the gospel.

## How will I grow in my relationship with God?

You will discover God's design for you through powerful class time, chapel, leadership development principals, and hands on training to complete your course. It will be a summer unlike any other.

**I thank God for Christian Youth in Action! The training I received and the friendships I gained were great, but they are small compared to leading a child to Jesus. This is a summer I will never forget!**
